ENCYCLOPEDIA.

Containing everything neversary for the reference of the Politicians and Satismen of the U.S. Edited by M. W. ULUSKY, Postumaster of the House of Representatives of the F. S. of Representatives of the 1.8.

THE undersigned has been appointed Agent for the STATE OF KEN 14 CKY
for the above valuable work and respectfully calls the attention of Politicians, and all who wish to be thoroughly posted up in the political events of the country, to the advantages of this book. It is designed to enable every citizen to acquaint binself readily with the true bearing of each political issue which is presented to him for his decision, and will relieve him from too great a dependence upon the partial statements of great political questions, which generally characterize the speeches and essays of the politicians of the present day.

It is published in one large octave volume of 791 pages, with copious index and appendix, containing statistical tables of the imports and exports of the loited States, the area of each State, &c. It is primed on fine paper, in plain type, and bound in a substantial form.
